\*DRAWN Sulo, Peter Rosamilia (ENGLAND) & Robert Johnson (RUSSIA).

The Players -- Brenton Ver Ploeg will be at the following address until around May 4 or 5: %Lee Cooper, 2121 Turk, San Francisco, Cal., 94115. Contact him at this address in an "emergency" situation only. #### We hear from Rod Walker that Dick Reiter is now %Lt. Col. G.C. Reiter, Hq. 2nd Wea. Wing (CMR Box 166), APO N.Y., 09332. However, since Dick has not told us this himself, this is unofficial (past experience has made us leery of such second-hand Com's....).

Replacement Players -- Moves needed nextish from Conrad Von Metzke (PKC, GER; QDC, RUS); Dave Lindsay (PQC, GER; QBC, GER); Ritchie Dean (PWC, FRA; PZC, ITA); Larry St. Cyr (QAC, TUR); Steve Bruce (QDC, ENG; GDC, ENG); Bob Johnson (QDC, ITA). Again, because of missed moves, new list is postponed -- to DPBA #63.

The Gamesmaster -- For all games, Don Miller, 12315 Judson Rd., Wheaton, Md., 20906. (Ph. 301-933-5417; call only on Mon. or Thurs., between 9 & 10 p.m., EST/EDT.)

The House-Rules -- As published in DIPLOMANIA #26. These are mandatory.

New Games -- In DIPLOPHOBIA, we have tentatively opened Regular game QFC to celebrate three games finishing in one issue. Send no money yet -- as soon as four persons have stated an interest in QFC, we will ask for money. In HYDROPHOBIA, Variant game FNI (Scotice Scripti; rules and map pubbed in DPMA #28; five people paid, and a sixth (Riley) is interested -- now only two more needed.... (game-fee is \$5 (\$1 off if G.B. Reg. member, another \$1 off if already playing in HPBA, another 50¢ off if IFW member), payable at time of application). In THE EXCHANGE, "Stock Market" Bourse QEC, QFC Bourse, and "Q-Series" Bourse are now open (all free if you receive DPBA (as player, subber, or trader)) -- rules in DPMA #30 (summarized on pg. 8 of this of DPBA (35¢, or 30¢ G.B.; extracted rules for 6¢ stamp)). In AUX ARMES!, replacements needed for JAPAN and for future drop-outs; also needed are new "Off-Board" nations and revolutionaries (in Hypereconomic Dippy) (all pos. \$1, plus sub. to A-A! if desired). And there is also Paratime I (\$5, with no discounts). Also, replacement players are urgently needed in HYDROPHOBIA (free if you already get 'zine).

Miscellaneous -- Votes on deadlines still straggling in -- something like 8-3 now in favor of three-week deadlines. #### THE GAMESMAN #5 and DIPLOMANIA #30 mailed out recently (TG is 50¢, 4/\$1.50 (40¢, 4/\$1.25 G.B.); DPMA is 35¢, 4/\$1.25 (30¢, 4/\$1.10 G.B.); G.B. Reg. membership is \$1/calendar year, from Don Miller). Besides new Bourse rules, DPMA #30 also has "Missed Moves, Stand-Eys, and Replacement Players" Symposium, lively lettercol, DIPLOMANIA Black-list, and other material. #### Speaking of Black-list, persons who drop out of games without courtesy of letting GM know appear thereon; such persons may not enter future DIPLOMANIA-family games without payment of extra \$1 per game "Good Faith" deposit (to be refunded if player sees game(s) through until elimination or game-end, and forfeited if player drops out). #### Next DIPLOMANIA Symposium: "Brannan's Rule, Convoys, and Multi-Coastal Provinces" (deadline June 6).

(See also "The Bourses" on page 8)

Propaganda --

Paris -- Ankara: Don't be alarmed by the recent moves; I'm just playing super-  
safe to keep you honest. The move to St.Pete, which could never succeed, was to  
cut support if you supported Germany from Skag to Norway.

Deadline for AUT'14 retreat (GER: F Den) and W'14 builds/removals -- Noon,  
Tues., May 12.

PQC (Regular Diplomacy Game #10) -- WHO'S ~~ON THE~~ IN CHARGE? GOVERNMENTS FALLING  
ALL OVER EUROPE! COUP IN ITALY!

The Players -- Ritchie Dean is now playing ITALY in place of Reiter. That's  
all we can say for sure.... Hal Naus was asked to send moves for Inman (GER),  
which he did. Inman sent moves for other DPBA games, but not for PQC, so, having  
missed twice in a row in PQC, is out. However, Hal Naus also sent moves for A-H  
(Beyerlein), since Doug asked (according to Hal) him to send in moves for him,  
and to replace him temporarily until the press of his studies lets up (in June).  
Now, we know Doug was seeking a replacement, but he never said Hal was to be it  
(not that we are questioning this -- it's just that we must hear from the player  
being replaced when he names his own replacement). The problem is, we also have  
moves from Doug for A-H.... #### So, let's resolve it this way. Dean is playing  
ITALY, eff. immediately; Hal Naus will take over A-H temporarily from Doug Beyer-  
lein, eff. either S'12 or F'12 (Doug, please let us know whether to use your S'12  
moves or Hal's); and we will skip Stand-By Replacement Player Grayson, who has been  
missing moves himself of late, and ask Dave Lindsay to take over the play of GER-  
MANY, effective with the current (SPRING, 1912) moves.

GM Note -- From the above confusion, it is obvious that the S'12 deadline is  
going to have to be postponed until the next issue....

Deadline (revised) for S'12 moves -- Noon, Tues., May 12.

Propaganda --

DER REICHSBLAD (Namur -- Monday, 17 August 1903) -- When the Chancellor's ultimatum to the oppressors of Belgium expired five days ago without any reaction from Whitehall, it was the general opinion that this sleepy little town would see some action soon. We were quickly proven right. Moving with staggering speed, Kurt von Hausbach's 2nd Army covered the 500 km in less than four days. Our former HQ at Dijon will probably be taken over by the French who, it is rumoured, have concluded a peace treaty with the Reich. It is believed that the British units will not offer much resistance to our battle-hardened veterans. A year of riotous living is not conducive to hard fighting. ##### This invasion was, not six months ago, impossible to even contemplate; but public opinion has mounted against England, ever since the first stories of what the dreaded CID was doing in Belgium were leaked to the Press. The silence and non-cooperation from England did not help either. Anyway, 6th Fleet will get its long-awaited chance!

Deadline for AUT'03 retreat (ENG: F NtS) and W'03 builds/removals -- Noon, Tues., May 12.

Constantinople -- The Sultan has concluded his act of good faith. Now, we call upon our allies to commit their armor to the Austrian front.

France -- BVP: We are sorry we couldn't answer you sooner, but actions do speak louder than words.

London -- BVP -- Sigh...it's going to be a long war. Dave, are you sure you want to go through with this? What will happen to me if that Russian lawyer (he probably fills out H&R Block income tax forms) builds a fleet in St. Petersburg? Oh, well...it's only a small war --- BVP (See, I didn't forget the BVP this time.)

London -- France: Please do not be alarmed at the moves. If you have attacked me again, I have only been defending myself. In any case, you can hardly expect

QBC (Continued) --

me to take a chance on something like that, particularly in view of your silence.

London (at the Exchange) -- Ah, that's MUCH better! Pounds are down, and now I have some; and it's about time! Sell off some more, and maybe I can pick up 100% of the market (only to be crushed in the game).

Rome -- Good for you, dirty Dave...gee! Somebody had to stop him...Buddy is on the other side of the continent...and no one else seems to have the courage.

World Bank -- Can it be that Brenton can not escape the mechanism of Black Propaganda? Who can believe whom?

Propaganda --

Budapest -- A large number of fleets have been built this year. There can't be room for all of them in the Western Mediterranean. I wonder where else they will go. (Wonder, wonder, wonder....) --- BVP

London -- BVP -- Hey, Bob, it's me, Buddy, not Brenton...get that fleet back in Marseilles where it belongs. (Sell pounds while you can.) Egads! And a second German fleet...egads! Arghhhhhhh.

Moscow -- Vienna: Hey, Franz, would Rudolf like to marry Nicky's #1 daughter, even if she does carry the blood letter disease?

Rollin's Court -- About that discussion concerning an alliance...now would be the proper time. (Don't forget your book on supply center charts.)

News of the World -- Ah! The Turks have dug in for a very long winter's war.

St. Petersburg -- Well, either my war bonds will take a slight rise, or else they will drop off the bottom this spring.

The Bourses -- Additional Information on new Bourses forming:

QEC Bourse -- The "Stock Market" Bourse -- completely unlike any Bourses being run so far -- should be fun -- see page 2 of THE EXCHANGE #9 for summary of rules, and DIPLOMANIA #30 for complete rules. If you don't subscribe to DIPLOMANIA, send 35¢ (30¢ if G.B. Reg. member for 1970) for #30, or a 6¢ stamp for an extract including the complete proposed rules for the QEC Bourse. Extract will also include complete proposed rules for "Q-Series" Bourse (see below).

"Q-Series" Bourse -- A single Bourse to be run around all the "Q" games being run in DIPLOPHOBIA now and in the future. Each time a game is completed, holders of winning player's currency are paid bonuses, so that all currencies should eventually pay dividends. In other words, if you figure the outcome wrong in one game, you are still in the running for the remainder of the games. BM auctions off currency each session, and players may auction off their own currency through the BM, or make whatever deals they wish between themselves (subject to it's being reported to the BM -- with the reporting procedure allowing for some interesting double-crosses....). Holdings of dropouts (currency and New Dd) are also auctioned off by the BM. Proposed rules in DIPLOMANIA #30 (35¢ (30¢ to G.B. Reg. members)); for extract including complete proposed rules, send 6¢ stamp.

QFC Bourse -- Will include suggestions made by Charles Wells and John McCallum, plus a couple of ideas of Ye Olde BM. Basically like QAC-QDC Bourses, except that Dd themselves have an intrinsic value which they do not have in the current Bourses (since currency is exchanged at end of Bourse for Dd, rather than New Dd...thus person who makes a killing in Dd by playing Market should do as well as player who speculates on winning currency....). Other rules will be announced when game QFC roster has three or four paid players on it.

-----  
DIPLOPHOBIA is tri-weekly, and is free to players in games within, 10/\$1.25 to others (10/\$1.10 to G.B. Regular members). Single copies are 15¢ ea. (12¢ ea. G.B.). Accompanying subzine, THE EXCHANGE, is free to DIPLOPHOBIA recipients. For address code meaning, see DPRA-59.

All Players in QAC thru QDC Bourses pls. answer following questions by May 12:

1. Should the BM auction off holdings of drop-outs?

QEC Diplobourse -- Will accept entries thru May 12 or publication of S'01 moves in DIPLOPHOBIA Game QEC, whichever is later. Proposed "Stock Market" rules published in DIPLOMANIA #30; when joining Bourse, pls. ans. questions re proposed rules on page 18 of DPMA #30. If you might be interested in QEC Bourse, but don't receive DPMA, either send 35¢ for a copy, or a 6¢ stamp for an extracted set of rules. #### Basically, players submit "Bids" and "Offers" to BM, with sales taking place only when bid is equal to or greater than offer. Also, separate auctions are held periodically for new currency being fed into game, holdings of dropouts are put up for auction, and players receive Dd dividends according to progress of game. This is a new concept in Bourses, being completely unlike any being run at present. So give it a try. Minimum, 8 players, max. 15; continuous Bourse.

-----

QFC Diplobourse -- See DPMA #30 or last page of DPBA #62.

-----

"Q-Series" Diplobourse -- This is a single continuous Bourse being run around entire series of DPBA "Q" games. Something like QEC Bourse, only better. Rules in DPMA #30 (send 6¢ stamp for extract, or 35¢ for entire issue; both sets of rules for 6¢ stamp).
